Media Advisory

For Immediate Release

NICU Parents and Staff Day Out

What: A day to allow NICU parents and staff to take a moment away from the hospital environment and relax. There will be pizza, donuts and other comfort foods provided by the hospital. Nail technicians and masseurs will also be on hand to provide their services free of charge to parents and staff.

Who: We encourage parents of both former and current NICU babies to attend as well as the current NICU staff.

Why: We want to allow parents and the NICU staff to have the opportunity to relax without having to leave the hospital and their babies. Because being in the NICU daily can take its toll, we want to care for the parents and staff as well as the babies. We also want current parents to receive encouragement from parents of former NICU babies.

Where & When: From 2 P.M. to 6 P.M. on Aug. 30, 2022, in the Grand Conference Room of the Baylor Scott & White branch in Hillcrest at 100 Hillcrest Medical Blvd, Waco, TX, 76712.

Interview & Photo Opportunities:

- David Wells, Director of NICU: 2 p.m. - 3 P.M.
- Mary Smith, Current NICU nurse: 2:30 - 4:30 P.M.
- Travis & Julie Waters, former NICU parents: 4 P.M. - 6 P.M.
- Matt & Holly Dean, current NICU parents: 3 P.M. - 5 P.M.

About Baylor Scott & White: As the largest nonprofit healthcare system, Baylor Scott & White is dedicated to providing the best medical care to the state of Texas. Baylor Scott & White Health includes 48 hospitals, more than 900 patient care sites, more than 6,000 active physicians, 40,000+ employees and the Scott & White Health Plan. Founded as a Christian ministry of healing, Baylor Scott & White Health promotes the well-being of all individuals, families and communities.
